ECY 040-1-14 Rev. 7/97 * * f **APPLICATION**

B. Briefly describe your proposed water system. (See Instructions.) Wyckoff Farms is requesting emergency drought permit No. G4-32035 be reinstated for the 2001 drought season. Due to the extenely poor outlook for water supply we have an urgent serious need for an alternative supply. We risk crop loss and damages estimated at \$4.6 million. To help reduce these risks and realize some return benefits from drillingour well we ask that the well be approved for supply to these lands. We have noevidence suggesting any other rights would be impaired with this temporary water use. C. Do you already have any water rights or claims associated with this property or system? PROVIDE DOCUMENTATION. Emergency drought authorization under application No. 64-32035 attached. Section 6. DOMIESTIC PRIBLIC WATER SEPEL SYSTEM INFORMATION. A. Number of "connections" requested: Type of connection (Homes, Apartment, Recreational, etc.) B. Are you within the area of an approved water system? If yes, explain why you are unable to connect to the system. Note: Regional water systems are identified by your County Health Department. Complete C. and D. only if the proposed water system will have fifteen or more connections. C. Do you have a current water system plan approved by the Washington State Department of Fleath? If yes, when was it approved? Please attach the current approved version of your plan. Pyes, when was it approved? Please attach the current approved version of your plan. Complete C. and D. only if the proposed water system will have fifteen or more connections. C. Do you have a current water system plan approved by the Washington State Department of Fleath? Pyes, when was it approved? Please attach the current approved version of your plan. Section 7. Section 8: WATTER STORAGE

Will you be using a dam, dike, or other structure to retain or store water?

☐ YES ☑ NO

NOTE: If you will be storing 10 acre-feet or more of water and/or if the water depth will be 10 feet or more at the deepest point, and some portion of the storage will be above grade, you must also apply for a reservoir permit. You can get a reservoir permit application from the Department of Ecology.

Section 9. DRIVING DIRECTIONS

Provide detailed driving instructions to the project site. Well-From Grandview go East on Hanks Road - turn South onto Crosby-well is located 660 feet South of Hanks and 660 feet west of Crosby Rd.

Place of Use-Pressure pipe from well to property described in attached legal description

Section 10. REQUIRED MAP

A. Attach a map of the project. (See instructions.)

See attached

Landowner for place of use (if same as applicant, write "same")

	ection 11. PROPERTY OWNERSHIP			
A.	Does the applicant own the land on which the water will be used? If no, explain the applicant's interest in the place of use and provide the owner(s):	he name(s) and add	YES ress(es)	□NC
В.	Does the applicant own the land on which the water source is located If no, submit a copy of agreement:	7	YES	□NC
